Alexandria, VA 22313-1450

Sir:

It is noted that an Interview Summary record (which was attached to a Notice of Allowance dated April 6, 2007) documents a telephone interview on or about March 23, 2007, concerning an Examiner's Amendment.

The Interview Summary form has began including a requirement for a statement of the substance of the interview. Although no statutory or regulatory basis for such a requirement is know to the undersigned attorney in a situation such as the present one, as a precautionary measure the following statement is provided in formal fulfillment of the requirement:

To the best of the memory of the undersigned attorney, the Interview Summary record is correct. The undersigned attorney authorized an Examiner's Amendment, just as the Interview Summary record says.

Respectfully submitted,

Allen Wood
